The Pillars Of My Soul The Poetry Of T R Moore Introduction

The Pillars of My Soul

"The Pillars of My Soul - The Poetry of T.R. Moore" is the first publication of Terri Moore's poetry after 30 years of compilation. Her writing possesses a unique, personal voice, using a wide variety of styles. Her Poetry may be considered "Confessional," reminiscent of Sylvia Plath and Anne Sexton. She writes with a language that seems to have been lost over the last 50 years in poetry. It is a heart-felt, soul-wrenching journey, reading her life in these pages. It will leave you forever changed. Following are a few of the myriad beautiful lines to be found throughout this special collection: - Now evensong the daylight dim / To wake and play my moonlight hymn - I moulder with my secret books / My soul becoming dog-eared - I sing of dark-lit dampen walks / In glistening colors of my youth - Comfort out of the sticks of nothingness, / And great purpose from small sorrows. - Dark winds would carry worlds entire / Of words on fire with licks of lion's teeth

Blossoms of Light

Blossoms of Light: An Oasis for the Soul is truly the divine nectar that lifts the heart and soul to the love and truth inside us all. These obviously inspired gifts of poems, prayer, and wisdoms keep feeding the soul no matter how many times they are read. It is therefore a classic. Since poetry can break up past programming, it is a healer as it fires the mind and releases it of its agony, grief, and unwanted programmed reactions. This is not just another poetry book but a beautiful, pungent feast that awakens the highest within all people, cutting through beliefs to the feeling of the divine love within.

Poems of the Heart

My poem "Those Eyes" comes straight from my heart. I wrote this for my wife because of the struggles she went thru after the loss of her parents, to let her know I was always there for her. Georgia B from Tennessee – "WOW what depth, I love how he writes" "While reading that it was as if he was talking to me" "just amazing, you can tell this comes from his soul" Bill P from Kentucky - "looking deep into a persons soul." Richelle from Ohio – "as I read this I found myself reading a hallmark card." Emily from Ohio – "very touching!" Krystal G from Belmont College – "its very first rate!"

I came to realize that low points in life are times of reflection. It wasn't until I was going through a difficult time with the ending of my first marriage. It was then when writing became my sanctuary. It seemed like every waking moment I was writing. Sometimes, I would write two or three poems in about a half hour. I guess it was my way of venting. And now three years and a multitude of poems later here I am.

My Heart, My Soul, My Words

My Soul Speaks Wisdom is a powerful collection of life, love, and inspirational poems used for everyday living. This book will provide insights on life, love, and also offer solid words of encouragement when you feel you can't go on. Whether you have or haven't experienced much about life, love, this is a great book of poetry for inquiring minds to read and absorb knowledge. My Soul Speaks Wisdom is a must read.

My Soul Speaks Wisdom

“The relentless tenderness of Ray Mulligan’s poems touches the heart strings creating gentle melodies. Their simplicity evokes the depth from which they spring. The questions they raise arise from faith and lead to faith. The clear, pure notes they sound refresh one’s spirit. They welcome you to their blessings.” –Phil Johnson, Editor Emeritus, *Pietisten Songs of My Soul* is a collection of poetry, prayers, and meditations. It sings the song of a soul’s life journey and will connect you to your own soul and your own journey. Ray Mulligan’s words, as well as quotations and scriptural passages, provide readers with inspiration for all circumstances. There is much to think about here as you seek peace in reflection. All souls speak a common language, which means your soul already understands the poetry of *Songs of My Soul*. While the context of Ray’s songs may be different from yours, they are the same songs of love, joy, and sorrow that everyone knows. “So come, my beloved, and journey with me awhile,” and reflect on the divine beauty inherent in a world filled with God’s love.

Songs of My Soul

Christian poetry for your soul. A book of 45 poems from the accomplished author, A.G. Moore that will truly inspire. A artistic piece that can be read over and over again to replenish your spirit.

Over Time On The Spot Poetry

This book consists of life needs through my eyes. Love, belief in a higher power, and decision making. Its a mixture of poetry and messages that unlock the mind. The best way to describe this book is literature exercise. Striving to grow and learn from mistakes. The true meaning of mind, body, and soul. Just My Thoughts is a book that goes beyond the mind and into the limbo system of emotions and feelings.

Just My Thoughts

\\"Poems and songs inspired by nature and personal experience\"--

Body and Soul

You are about to meet a man by reading over forty years of his writings. In many ways, it is neither an easy introduction nor a comfortable journey. You will not be meeting the man as the person he is-you will be experiencing his process of becoming. The poems begin in the author's early youth, with strong narratives that recount an inherited persona of streetwise toughness. Some of these early poems define, some bruise, some shock. In their wake we find a boy taking his first puzzled steps toward manhood, carrying with him-almost without question-the legacy of a rough family layered with scar tissue from surviving street and dystopian surroundings. Following this chapter are the perspectives and experiences of late teenage years, college, military, life as a merchant seaman, professional musician, teacher, and as a single man. Each epoch is marked by often-painful collisions with others, whether they be rough-edged men or, all too frequently, the women the poet always needs but never seems to understand. At some point, age brings with it an appreciation for the essence of life and the part of human identity that exists beyond the tactile. The wisdom of this transformation is followed by a very different body of work-deeper and sometimes mystical in its meditation-a work of contemplation, acceptance, and an approach to inner peace. Seeing this book as the

story of a poet, or of a man, would miss much of the work's meaning. It is more than a collection of poems, more than a life. What we have in Spirit Unchained is the autobiography of a soul.

Spirit Unchained

I truly hope and pray that the words of these poems will be an inspiration and comfort to all who read them! I've enjoyed the process of writing them, and I hope you are blessed in reading them! The book begins with my poem, \"Religion vs. Relationship\"

Words of Wisdom, Reflection and Songs

Poems compiled over twenty years of life experiences.

Substance of My Soul

In this inspirational book of poetry, Moore, takes you on a spiritual journey while sharing powerful testimonies through poems of pain, promise, and praise. Each poem will minister to your spirit while encouraging you to continue to press toward the mark for the prize of the high calling of God in Christ Jesus. As you embark upon this journey, allow your mind to reflect upon times of contentment and sorrow while focusing on developing a more intimate relationship with Christ. Only He Knows will: Encourage you to look beyond your current circumstances Increase your appreciation of Christ s presence in your life Provide daily inspiration Open your spiritual eyes to various issues

Only He Knows

Journey of the Soul takes the reader on a poetic voyage of discovery through a process of contemplation, reflection, and transcendence. The poems explore the layers of existence and the tension between the sacred and the mundane, culminating in the mystical vision beneath the everyday world. Illustrated with black and white photographs drawn mainly from Angela's travels, this is a delightful little book to add to your poetry collection.

The Poetical Works of Thomas Moore

To be given a glimpse into the heart and soul of another person is a sacred gift of great proportions that one must never take for granted. Darryl Moore has invited us to take just such a peek as he has opened his life through the words which he has so beautifully and poetically penned on the pages of his book, Released. As you read his words, you will find yourself hungering to know more of the \"story behind the story\" that his poetry tells. As God has \"released\" Darryl from the penalty of sin and death, he is free now to live into his full potential as a child of the King, even as he wears the prison blues of incarceration, making his home behind prison bars.
